

Society for Metaphysical Enlightenment
P.O. Box 185, Hatboro, PA. 19040 267-261-2768
e-mail: novafinish@earthlink.net

This agreement is between the Society for Metaphysical Enlightenment and you and/or your company for advertising in our program handout for our 2018 Solstice Expo & Holistic Fair. Due to the limited amount of space available in your booth, on the floor, and in our event program, the SME organization is offering you the opportunity to promote your company and services by placing ad copy in our program. This added advertising feature also serves the purpose of providing greater information about you, your company, and what you have to offer at this event, and contact information for after the show. This program will become a take-home brochure for those in attendance and a discussion piece among friends, as well as a future reference to contact you and or your services. Our program will show all vendor layout information, a very short description of their products and services, a floor plan layout, and the schedule of speakers.

NOTE: Again, because of physical limitation at the New Hope Eagle Fire House, it is likely that we will be sold out of space and will not be able to physically accommodate all who want to participate in this event. Advertising in our program allows those who want to participate and promote their company and themselves to do so. For any questions, see contact information above. See below for details regarding advertising space and costs:

Date _____ Deadline for submission 5/15/2018
